MINISTRY OF FINANCE

No. FM/DNP/GP-45/2017/ 534

11th October, 2017

Notification.

As per the Circulars issued earlier vide FM/DNP/GP-46/2014-2015/422 dated 8th September 2015 and FM/DNP/GP-46/2015-2016/1262 dated 29th April 2016; all Government agencies executing government budgeted construction works that requires use of HDPE pipes are mandated to procure directly from the recognized manufacturer like Bhutan Polythene Company Limited (BPCL) and Bhutan Plastic Industry (BPI).

It has come to the notice of the Department that while preparing the specifications and performance requirement of the bidding document, government agencies often keep it open as "BSB approved". In this context, the concerned agencies are once again reminded to state the brands of both the domestic manufacturers (Druk Pipe and Rabten Pipe) as reflected in section VII- "specifications and performance requirement of the bidding document" instead of keeping it open.

In addition, all the agencies are hereby reminded to procure cement from PCAL, Lhaki and DCCL cement only to be lifted from factory premises or authorized dealers/ sales agents registered with the company for any government budgeted construction works. Detail circulars are uploaded in the Ministry of Finance website, www.mof.gov.bt.

(Dawala)
Director General.
