

PRESS RELEASE

March 15, 2019

Royal Bhutan Helicopter Services Ltd. (rbhsl) declares a DIVIDEND of Nu. 11.5 million for the FY2018.

RBHSL during the 4th Annual General Meeting (AGM) which was held on March 7, 2019, declared a Dividend of **Nu. 11.5 million** for FY 2018 which is 28% of Profit After Tax (PAT). This is 89% increase in terms of dividend payment compared to Nu. 6.1 million declared in 2017 by the company to the Government (Shareholder).

During the year, RBHSL has earned Nu. 172.92 million as revenue and achieved Net Profit of Nu. 39.88 million. Ensuring helicopter safety is paramount importance to the company and has been ingrained as the core value of the company. Till date, the company has conducted over 473 Helicopter Emergency Medical Service (HEMS), 26 Firefighting missions and 4 Relief missions as part of emergency services. As CSR, the company also delivers medical supplies to remote parts of Lunana which are not connected by motorable roads. RBHSL has also successfully connected our highlanders through our helicopter services and created additional values to our tourism sector.

RBHSL presently operates 2 helicopters H130.
