NOTIFICATION

This is to notify that the Fund Release Guidelines 2020, Section 3 sub-section 3.4 (i) & (iii) wherein, the Ministry of Finance shall facilitate adhoc fund release through Adhoc Budgetary Release Forecast (ABRF) *for the emergencies due to natural calamities, disasters, special priority works etc., directly through DPA interface and any other regular activities has to be processed through the monthly BRF.* However, the Department has been receiving numerous cases of ABRF request from across all the budgetary bodies over the past months for cases not covered above. Such unplanned request has not only disrupted the monthly cash forecast but also led to the rise in avoidable cost of borrowings.

Therefore, the Ministry of Finance would like to solicit kind cooperation from all Head of Budgetary Bodies to inform their respective department/division/sector officials to submit all regular activities through monthly BRF submission.

This is issued for strict compliance.
