Notification for Roll out of eDATS HR Travel Module

This is to notify that the Department of Treasury and Accounts, Ministry of Finance is undertaking the enhancement of eDATS (*electronic* Daily Allowance and Travel System). This enhancement includes incorporation of HR Travel Management and ex-country travel claims (eDATS|V.0.3).

The objective of this enhancement is to facilitate compliance and uniformity of travel related processes and ensure proper control and monitoring in the management of travel activities.

The roll out of HR Travel Management will commence from 5th May 2023 and the budgetary bodies are directed to inform the officials not to process online travel from 5-7 May 2023 until the system is stabilized. Further, the agencies are requested to nominate focal from the respective HRD and provided with credentials for the operations of HR Travel Management.
