

DTA/PMSD/2023-24/189

31/8/2023

NOTIFICATION

This is to notify the general public that the Ministry of Finance has formally launched (*eDATS*) **Mobile Application** for implementation with effect from 1st of September 2023. The public servants in the government budgetary bodies can use *eDATS mobile application* for processing TA/DA at their own convenience without resorting to office devices. The *eDATS* mobile application is developed in-house by the Department of Treasury and Accounts, Ministry of Finance.

This initiative is geared towards enhancing the efficiency of public financial management and promoting digitalization of services in the country.

The implementation of *eDATS* mobile application is expected to bring following benefits:

- Uniformity in the claims through additional platform and opportunities;
- Improve financial service delivery through reduced turnaround time (TAT); and
- Reduce administrative burden through paperless procedures.

The *eDATS* Mobile Applications was launched by Hon'ble Acting Finance Secretary on *August 31, 2023* at DTA Conference Hall, Ministry of Finance, Thimphu. The system was developed with financial assistance from the PFM-Multi Donor Fund (MDF) supported by the European Union (EU) and Austrian Development Agency (ADA), and administered by the World Bank (WB).
