

DTA/PMSD/2023-2024/ 594

6th February, 2024

NOTIFICATION

The Department of Treasury and Accounts (DTA), Ministry of Finance would like to notify all the budgetary bodies that during every tax filing season, there are cases of non-reconciliation of Tax Deducted at Source (TDS) between ePEMS and RAMIS. This is mainly due to application of 24% penal interest on account of late remittances/deposit of TDS by the agencies.

Therefore, to avoid such issues between ePEMS & RAMIS, all budgetary bodies are hereby directed to complete the remittances of TDS for the month in ePEMS within 5th of every following month. Respective agencies shall be held accountable for failing to abide by this notification.

Further, DTA shall not entertain any TDS reconciliation issues through ePEMS client support services henceforth.

Issued for strict compliance.
