

BHUTAN TRADE STATISTICS 2024

DEPARTMENT OF REVENUE & CUSTOMS
MINISTRY OF FINANCE
ROYAL GOVERNMENT OF BHUTAN

FORWARD

The Department of Revenue and Customs (DRC) is pleased to publish the Bhutan Trade Statistics (BTS) for the year 2024. This essential annual publication serves as a cornerstone for understanding Bhutan's economic landscape by providing detailed information on merchandise exports and imports for the year 2024, including the trade in electricity. Furthermore, it elaborates on Bhutan's balance of trade position during the year, offering insights into the country's economic health and trade dynamics.

BTS is the only publication compiled by the department that presents trade data in both value and quantity at an eight-digit level code. This meticulous adherence to the nomenclature and harmonized coding system outlined in the Bhutan Trade Classification and Tariff Schedule 2022, as well as the World Customs Organization's conventions, ensures the utmost accuracy and comparability of trade data. By employing such a detailed framework, we allow stakeholders, including policymakers, businesses, and researchers, to perform in-depth analyses and make well-informed decisions.

As Bhutan moves toward integrating more comprehensive data-driven policies, timely and accurate trade statistics will play a significant role in informing economic planning and development strategies. The Department has marked a milestone in this digital era with successful inception of the Electronic Customs Management System (eCMS) last year. This innovative online platform is designed to streamline customs processes, improve operational efficiency, and facilitate real-time access to trade information for all users. This system represents a significant step forward in our commitment to modernizing government services while supporting private sector growth and ensuring Bhutan remains competitive in a rapidly evolving global trade landscape.

While the DRC strives to provide accurate and high-quality trade statistics, we recognize the value of community engagement and user identification of potential areas for improvement. Therefore, we actively encourage feedback, and suggestions that will help us refine future publications. Engaging with our stakeholders ensures that we remain attuned to the needs of our users and can better serve our diverse audience, from government officials to business entrepreneurs. Ultimately, we believe that this publication will be an invaluable resource for anyone looking to gain insights into Bhutan's trade in goods.

The DRC acknowledges the dedicated efforts of all officials involved in the preparation and publication of these vital trade statistics. This official publication is available for download and review on the Ministry of Finance and Department of Revenue and Customs websites at www.mof.gpv.bt / www.drc.gov.bt.
